ABOUT ME

3D Environment Artist with 1 year of experience in 3D Animated Short Film and Realistic 3D Environment creating Contests.

Experienced in production realistic renders through different Render Engines used by the Industry.

Able to quickly learn new Pipelines and make immediate contributions.

Consistently meet aggressive deadlines by prioritizing and managing tasks.

I wish to work in a good Organisation where I can put in my efforts and enhance my skills so that I can prove myself as an asset to the Organisation and learn new things which will make me grow with the Organisation.
